Bridge Generations through Scouting - "The challenge of history is to recover the past and introduce it to the present" - Professor David Thelen The Mason-Dixon Council is rich in history – but much of that history is, to date, untold. An event scheduled for **July 16, 2011** will bring this history to life: **Scouts** who attended **Camp Pearee** and **Cowan's Gap**, as well as the **first campers at Camp Sinoquipe**, will come together to share their stories of the past with more recent alumni and Eagle Scouts. This historic event will be held at **Camp Sinoquipe** and will include a program honoring our scouts of the past; recognition of recent donors; and, lunch in the Dining Hall. The day will also include time for sharing scouting stories and experiences. **If you are an alumni and have not yet received information on this event, please contact Mark Barbernitz at the Mason-Dixon Council – 301-739-1211. As well, please pass this information along to other alumni who may not be on the Mason-Dixon mailing list.**
